and he made a present of this fine resort
G D G/
and thats how King Henry got his Hampton Court

G C
Parliament issued a quick decree
G D
setting up a trust fund immediately
G C
and the Chancellor of England lent the King his support
G D G/
on the day good king Henry got his Hampton Court

G C
In the City a committee got a quick report

they said t'would be a pity to miss such sport
G C
and so they did not tarry and the whole town walked
G D G/
to see good King Henry with his Hampton Court

G C
There we beheld his Majesty
G D
standing at the window for all to see
G C
oh how his loyal subjects fought
G D G/
for a glimpse of King Henry with his Hampton Court

G C
So he took his Royal sceptre, for he liked a joke
G D
and he waved it out the window, but the sash cord broke
G C
and Catherine of Aragon was quite distraught
