[F] [Bb] [C] [Bb] x4

Oh, well, in [F] five years [Bb] time
we could be [C] walking round a [Bb] zoo
With the [F] sun shining [Bb] down over [C] me and [Bb] you
And there'll be [F] love in the [Bb] bodies of the [C] elephants [Bb] too
I'll put my [F] hands over [Bb] your eyes, but [C] you'll peep [Bb] through

And there'll be [F] sun, sun, [Bb] sun [C] all over our [Bb] bodies.
And [F] sun, sun, [Bb] sun, [C] all down our [Bb] necks
And there'll be [F] sun, sun, [Bb] sun, [C] all over our [Bb] faces
And [F] sun, sun, [Bb] sun, [C] so, what the [Bb] heck

Cause I'll be [F] laughing at [Bb] all your [C] silly little [Bb] jokes
And we'll [F] be laughing about [Bb] how we [C] use to [Bb] smoke
All those [F] stupid little [Bb] cigarettes and [C] drink stupid [Bb] wine
Cause it's [F] what we [Bb] needed to [C] have a good [Bb] time

But it was [F] fun, fun, [Bb] fun, [C] when we were [Bb] drinking.
It was [F] fun, fun, [Bb] fun, [C] when we were [Bb] drunk
And it was [F] fun, fun, [Bb] fun, [C] when we were [Bb] laughing
It was [F] fun, fun, [Bb] fun, [C] Oh, it was [Bb] fun.

[F] [Bb] [C] [Bb] [F] [Bb] [C] [Bb]

Oh, well, I [F] look at you and [Bb] say it's the happiest that [C] I've ever [Bb] been
And I'll say [F] I no longer [Bb] feel I have to [C] be James [Bb] Dean
And she'll say [F] "Yeah, well I [Bb] feel all [C] pretty happy [Bb] too,
And I'm [F] always pretty [Bb] happy
when I'm just [C] kicking back with [Bb] you"

And it'll be [F] love, love, [Bb] love, [C] all through our [Bb] bodies.
And [F] love, love, [Bb] love, [C] all through our [Bb] minds
And it be [F] love, love, [Bb] love, [C] all over her [Bb] face
And [F] love, love, [Bb] love, [C] all over [Bb] mine.

Although [F] maybe all these [Bb] moments are [C] just in my [Bb] head
I'll be [F] thinking 'bout [Bb] them as I'm [C] lying in [Bb] bed
And [F] all that we be-[Bb]lieve they might not [C] even come [Bb] true
But in my [F] mind I'm [Bb] having a pretty good [C] time with [Bb] you

In [F] five years [Bb] time, [C] I might not [Bb] know you
In [F] five years [Bb] time, [C] we might not [Bb] speak at all
In [F] five years [Bb] time, [C] we might not [Bb] get along
In [F] five years [Bb] time, [C] you might just [Bb] prove me [F] wrong

[F] [Bb] [C] [Bb] [F] [Bb] [C] [Bb]

Oh, there'll be [F] love, love, [Bb] love, [C] wherever [Bb] you go x4
Oh, there'll be [F] love, love, [Bb] love, [C] wherever [Bb] you go x4
