

You're Still the One (Shania Twain)

[A] [A] [D] [E7]

[A] Looks like we made it, [D] look how far we've [E7] come my baby

[A] We mighta took the long way, [D] we knew we'd [E7] get there someday

[A] They said, "I bet [D] they'll never [E7] make it"

But just [A] look at us [D] holding [E7] on

We're still to-[A]-gether still [D] going [E7] strong

You're [D] still the [A] one

You're still the one I [D] run to

[Bm] The one that I be-[E7] -long to

[A] You're still the one I [D] want for [E7] life

You're [D] still the [A] one

You're still the one that [D] I love

[Bm] The only one I [E7] dream of

[A] You're still the one I [D] kiss good [E7] night

[A] Ain't nothin' better

[D] We beat the [E7] odds together

[A] I'm glad we didn't listen

[D] Look at what we [E7] would be missin'

[A] They said, "I bet [D] they'll never [E7] make it"

But just [A] look at us [D] holding [E7] on

We're still to-[A]-gether still [D] going [E7] strong

You're [D] still the [A] one

You're still the one I [D] run to

[Bm] The one that I be-[E7] -long to

[A] You're still the one I [D] want for [E7] life

You're [D] still the [A] one

You're still the one that [D] I love

[Bm] The only one I [E7] dream of

[A] You're still the one I [D] kiss good [E7] night

Still the [A] one [D] [E7] [E7] [A] [D] [E7] [E7]

You're [D] still the [A] one

You're still the one I [D] run to
