As **(G)** I was a goin' over, the **(Em)** Cork and Kerry mountains
I **(C)** saw Captain Farrell, and his **(G)** money he was counting
I **(G)** first produced my pistol, and **(Em)** then produced my rapier
I said **(C)** "Stand and deliver, or the **(G)** devil he may take ya"

Musha **(D)** ring dum-a doo dum-a daa
(C) Whack for my daddy-o, **(C)** Whack for my daddy-o
There's **(G)** whiskey in the jar-o **(G) (G) (Em) (Em)**

I **(G)** took all of his money, and it **(Em)** was a pretty penny
I **(C)** took all of his money, and I **(G)** brought it home to Molly
She **(G)** swore that she'd love me, **(Em)** never would she leave me
But the **(C)** devil take that woman, for you **(G)** know she tricked me easy

Musha **(D)** ring dum-a doo dum-a daa
(C) Whack for my daddy-o, **(C)** Whack for my daddy-o
There's **(G)** whiskey in the jar-o **(G) (G) (Em) (Em)**

(G) Being drunk and weary, I **(Em)** went to Molly's chamber
(C) Takin my money with me, and I **(G)** never knew the danger
About **(G)** six or maybe seven, **(Em)** in walked Captain Farrell
I jumped **(C)** up, fired off my pistols, and I **(G)** shot him with both barrels

Musha **(D)** ring dum-a doo dum-a daa
(C) Whack for my daddy-o, **(C)** Whack for my daddy-o
There's **(G)** whiskey in the jar-o **(G) (G) (Em) (Em)**

Now **(G)** some men like the fishin', and **(Em)** some men like the fowlin'
And **(C)** some men like to hear, a **(G)** cannon ball a roarin'
(G) Me I like sleepin', **(Em)** specially in my Molly's chamber
But **(C)** here I am in prison, here I **(G)** am with a ball and chain yeah

Musha **(D)** ring dum-a doo dum-a daa
(C) Whack for my daddy-o, **(C)** Whack for my daddy-o
There's **(G)** whiskey in the jar-o
